Intro

My name is Josh Waller. I've been a **frontend** and **fullstack developer** for a little over **6 years** now and have had the opportunity to work for some great companies. I enjoy working with innovative technologies and helping everyone I can to the best of my abilities. I like to contribute to the OSS community whenever possible.

Skillset

Languages	Tools	Frameworks & Libraries
Javascript/Node	webpack, eslint, prettier, flow, mocha, ES6, uglify, minify	React, Vue, Express, MobX, rxjs, lodash, gatsbyjs
